Dear Augusta Prep Community,

It has been an exciting two weeks on the Prep campus as we hosted three Head of School candidates for an intensive series of interviews. We want to thank everyone for their time, energy, and thoughtfulness. Each candidate was complimentary of the Prep community, the organization of their visits, and the warmth and hospitality of all they met.

When the search committee first started this process, they were given one clear charge from the Board of Trustees—to find a Head of School they felt confident would lead Augusta Prep to higher levels of success. The search committee has taken that charge seriously.

The three candidates who visited campus all have impressive credentials, tremendous success leading schools, and excellent references. The committee was excited to introduce each of them to the community. After carefully looking at the feedback from the community and analyzing the data available to us, we have decided to continue the search.

We will continue to provide updates as we have them and to involve the Prep community in the next round of candidate assessment. In the meantime, we hope you all have a wonderful Thanksgiving Holiday!

Sincerely,

Forester Adams
Search Committee Chair
